Clara Bennett & Julian Park

A June evening in the Rose City, with the people we love.

A quiet moment in the garden before the ceremony.

Follow the gravel path to the orchard. The ceremony begins at four, with drinks on the terrace and dinner in the barn.

It started with a book

Clara and Julian reached for the same dog-eared road atlas on a rainy Saturday in Portland. They shared a coffee, then used the atlas to plan their first weekend road trip.

Six years later, Julian proposed in the same bookstore. He slipped a note with the date inside the old atlas.
